COLOR GUARD®

RAILING SYSTEMS

Made in the USA

Since 1989, Color Guard has been at the forefront of vinyl and aluminum railing systems, delivering dependable solutions designed with installers and homeowners in mind. Our commitment to the highest industry standards ensures that every product we create meets the needs of the most demanding customers.

Our railings are engineered for straightforward installation, consistent quality, and lasting strength. Every detail is designed to help professionals work efficiently while delivering results that homeowners can trust and enjoy.

And because we stand behind our products, every Color Guard railing comes with a premium warranty, giving you peace of mind that your investment is protected.

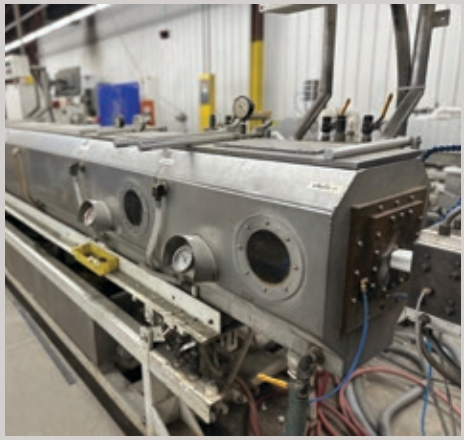

Ready to experience the difference? Explore our products today and see why Color Guard has been the choice of professionals for decades.

PREMIUM VINYL RAILING

For over 20 years, Color Guard has produced high-quality vinyl railing engineered for safety, durability, and unmatched ease of installation.

EVERYTHING YOU NEED IN THE BOX

- Fully-kitted systems include top & bottom railing, aluminum reinforcement, balusters, brackets, support block, and stainless-steel hardware.
- Available accessories cover every project need, load-bearing post mounts, post sleeves, post wraps, angle adapters, gate kits, and more.

EASY INSTALLATION

- Faster and easier than competitive systems.
- True-to-length sections: a 6' section delivers a full 72" of railing.
- Our stair brackets work with angles from 23°–38° with no mitering of rails and no cuts to the brackets or balusters.

SAFETY FIRST

- Our products are third-party tested to exceed today's building code requirements.
- High-gauge aluminum reinforcement in both rails delivers strength and long-term stability.
- Sections 5' and longer include a spring-loaded locking baluster that prevents rail separation under load.

BUILT TO LAST

- Limited lifetime warranty for defects in materials or workmanship.
- Manufactured in Wisconsin using premium virgin PVC.

PREMIUM VINYL WITH DRINK RAIL OPTIONS

FLORENCE

Florence is a practical and stylish outdoor solution, featuring a white flat top and bottom rail combined with sleek black round aluminum balusters for a modern, contrasting look. Its standout features are the flat top rail along with the included drink rail brackets, which allows for a third-party deck board to be installed to serve as a convenient surface for placing drinks or other items. The top-mounted deck board accents your deck and is the finishing touch to making your deck the perfect place for outdoor entertaining.

	Height	Length
Straight	36"	6', 8', 10'
Straight	42"	6', 8', 10'

Color White

PREMIUM VINYL WITH DRINK RAIL OPTIONS

KEY WEST

The Key West vinyl railing offers a sleek, modern look for any outdoor space. Made from 100% virgin PVC for durability and low maintenance, its sturdy, flat top rail can accommodate a deck board, creating a convenient built-in drink rail. Designed for both style and functionality, this railing system provides long-lasting performance with minimal upkeep.

	Height	Length
Straight	36"	6', 8', 10'
Straight	42"	6', 8', 10'

Color White

FLORENCE and **KEY WEST** features a deck-board top rail for a coordinated look. Customize with your preferred drink-rail topper *(sourced separately)*.

PREMIUM VINYL RAILING

VERONA

The Verona Vinyl Railing System blends durability with modern style, featuring weather-resistant vinyl and black round aluminum balusters. Its sleek, tapered top rail delivers a clean, elegant look that suits both traditional and contemporary homes.

	Height	Length
Straight	36"	4', 6', 8', 10'
Stair	36"	6', 8'
Straight	42"	6', 8'
Stair	42"	6', 8'

Colors White Tan Clay

PREMIUM VINYL RAILING

TUSCANY

The Tuscany Deck Railing System features a flat top and bottom rail for a streamlined, minimalist look. Like Verona, it combines durable vinyl construction with black round aluminum balusters, offering a modern contrast while ensuring long-lasting durability and low maintenance.
Optional baluster baskets shown at left. Stair rail available in 36" height only.

	Height	Length

Newel features its own leveling hardware for quick and easy installation.

THE PATRIOT

The Ultimate Leveling Solution

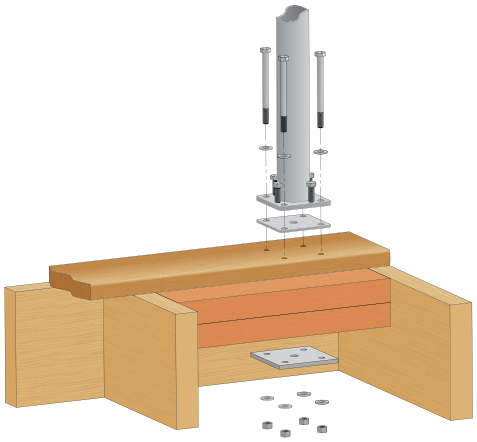

- Mounts to wood, concrete or composite surfaces
- Adjusts to fit 36" and 42" high railing
- Rated for 600 pounds of pressure
- Easily adjusts up to 11° in any direction using just a socket wrench and a magnetic torpedo level
- Works with nominal 4" x 4" and 6" x 6" sleeves

Sizes

4" x 4" x 37"

5" x 5" x 37"

6" x 6" filler kit available

SPB-MOUNT-KIT
Under Deck Anchoring Plate is used beneath deck boards with properly installed blocking. Features improved hardware and a stronger, more durable plate for enhanced stability and performance.

SPB-66KIT
The SPB-66KIT nests around the fillers of the SPB-44BPL to fill out 6" x 6" post sleeves.

The Durable Alternative to Wood Posts

Properly anchor post mount.

Adjust leveling bolts. Allows 11° variance in any direction.

Attach fillers and place sleeve over post.

PREMIUM VINYL POST ACCESSORIES

POST SLEEVES

Enhance the appearance of treated wood posts with our durable post sleeves. Designed to fit over standard posts, these sleeves provide a sleek, low-maintenance finish while protecting the underlying structure from weathering and wear.

ALUMINUM RAILING

Color Guard's aluminum railing systems are known for their strength, clean design, and installer-friendly features. Engineered for long-term performance and everyday ease, our aluminum railing delivers the quality and reliability customers expect from the Color Guard brand.

EVERYTHING YOU NEED IN THE BOX

- Fully-kitted systems include top & bottom rails, vinyl inserts, balusters, brackets, support block, and stainless-steel hardware.

EASY INSTALLATION

- Recognized by installers as one of the easiest aluminum systems on the market.
- True-to-length sections: a 6' section delivers a full 72" of railing.
- Adjustable stair bracket works with angles from 23°–38° with no mitering of rails and no cuts to the brackets or balusters.

A COMPLETE RAILING SOLUTION

- Accessories for every application: porch posts, sleeves, post wraps, gate kits, accent lighting, drink rail brackets, over-the-post elements, and more.
- Post mounts and sleeves available in multiple sizes.
- Round and square baluster styles.
- Project-rail options for unique or custom installations.

SAFETY & DURABILITY

- Our products are third-party tested to exceed today's building code requirements.
- Powder-coated with a durable hammered, textured finish.
- 15-year finish warranty in most environments.
- Vinyl inserts in top and bottom rails eliminate metal-on-metal contact and provide a solid, quiet feel.

MADE IN THE USA

- Manufactured, powder-coated, and assembled domestically with rigorous quality control.

GRAND PRIX

Grand Prix combines strength, durability, and modern design to enhance outdoor spaces with reliable safety and lasting performance. Constructed from high-quality aluminum, it offers superior corrosion resistance and low maintenance, making it ideal for residential and commercial deck applications.

	Height	Length
