Premium Wood Tiles

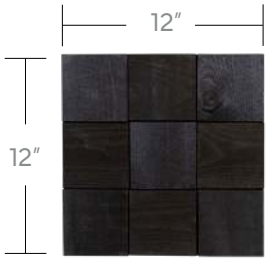

Mosaic patterns that add interest to any space.

Whimsical, cool, unique…just some of the words to describe the wood tile collection. Our craftsmen arrange the reclaimed, weathered pine into a deliberate pattern and preassemble the pieces into square grids and planked layers with a mesh backing for easy layout and installation.

- Reclaimed, real weathered pine & cedar
- Choose from square or layered tiles
- Easy layout and installation

BrewPub™ Collection

Accent walls and features reminiscent of breweries and distilleries.

Bars, restaurants, backsplashes, interior barn doors, game room accent walls and offices are all popular destinations for this industrial look. Barrels and brews inspire the collection with a carefully selected color variation that aims to create spaces with character.

- Smooth tongue and groove pine
- Packaged in bundles of 6 with deliberate ratio of dark, medium and light colors
- Matching trim available (comes in the darkest tone of each palette)
- Touch up kit available

Smooth Pine Collection

Classic, versatile 1x6 tongue and groove.

Upgrade any room in your house, cottage, or cabin with "the original" paneling profile. We make it even better with the option of classic v-groove or a more modern nickel gap edge. Select from our rich heavy-bodied stain colors for a warm, dramatic wall or ceiling, or go all-natural with our satin clear urethane finish. For a more modern, bright look choose the finished finger joint pine plank in solid Pure White or a custom solid color of your choice.

- 1 x 6 tongue and groove
- Choose from v-groove or nickel-gap edge joint
- Matching trim available in Saddle, Buckhorn and Smokestack
- Touch up kit available

Rustix™ Collection

Recreate the rustic, weathered beauty of aged wood.

Rustix offers a much more refined wall covering than your typical "palletwood" project boards. Our stain and dye process creates a weathered patina in three color offerings, and these easy-to-install roughsawn planks give shockingly good results on a more modest budget. Use Rustix on a wall, ceiling, accent nook, or column wrap - you'll be surprised how much they can elevate a room.

- Our most affordable collection
- Easy to use 4' boards
- 8 boards per package covers 10 square feet

Smooth Primed MDF

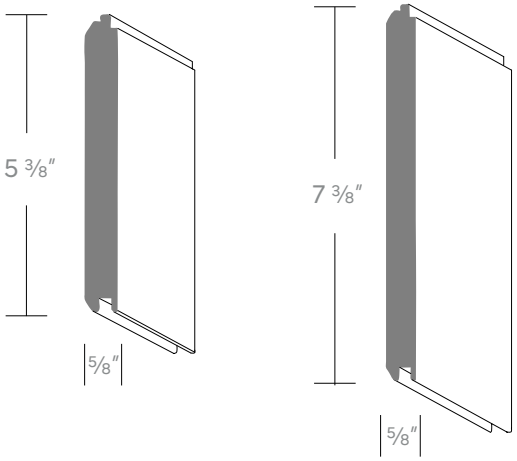

The affordability and versatility of Medium Density Fiberboard.

MDF is a common material used for trim, cabinets and other materials. The super smooth finish and clean lines add style and dimension to any room.

- Choose from 1 x 6 or 1 x 8 in a reversible board
- Installed with either the v-groove or the nickel gap facing out
- Field coat with any flat, satin or gloss latex finish in your color of choice

PRIMED WHITE

MDF planking is best used in interior areas where moisture is minimal. Wet basements, bath and laundry washing areas, backsplashes, covered porches, and exterior ceilings/soffits are some applications to avoid.
